

Entering a Validation Code to Register Your Software

If you ever find that you want or need to register your software but don't want to create a web-based online Intuit Account, you can skip the account creation process and register your software using this "trick".

- Choose Help | About (your version of QuickBooks®) from the menu bar
- With the About window open, click Ctrl+R+P (all at once) to get the Registration window

Register QuickBooks Premier: Accountant Edition 2011

Register QuickBooks Now

Call Intuit to finish your product registration

1-800-316-1068 (toll free) within the U.S.
1-520-901-3220 outside the U.S.

Your product information

License number: xxxx-xxxx-xxxx-xxx
Product number: xxx-xxx

The **phone agent** will give you a code to enter below:

Validation code:
